Mission Statement

Our Mission

Bill Russell was a horseman, a husband, a father, a Grandfather, a son, a brother, and a very giving man in life. It is our mission to carry on his giving tradition. Our hopes are to help horseman's families in their time of need, as our family was helped in ours.

About Bill Russell

William Russell Jr. March 5th, 1945– May 4th, 2012

Bill was a High School football hero, with a full scholarship from a Division one college. He decided to join the Air Force and serve his country. After Vietnam, he came home to work in the horse industry, with his wife Mona. Upon his return he serviced as a Huntsman and professional whipper-in, helping to found some very popular hunts, still in operation today. He began privately training and managing shows, such as Ramble Wood and Belle Meade Annual Horse Show. He was the first manager to offer the 3 foot divisions, starting a new revolution of showing.

As a trainer in the 70s, he was one of the top trainers in the Southeast. He had Champions at Washington International Horse Show, multiple winners of the Palm Beach Grande Prixes and Champions of the Country, with horses such as Deck Commander, Southern Brooks, Catch on Fire, Turf Fire, Bargain Hunter, and Signal Point to name a few.

Bill and Mona, raised 4 children, who are all still in the horse industry. During this time he graduated from college on the Dean's list. He held his Race Horse trainer's license and headed up the Georgia Thoroughbred Owner's and Breeder's Association for many years. He helped found the Georgia Tech and Georgia State Equestrian teams and serviced on IHSA committees.

Those who knew him, knew you could call on him at any time and he would figure out a way to help or offer an encouraging word.

As his brother said, "I don't know what it was about him, but when he was standing at the end gate, you felt like you could do anything." He was life's greatest cheerleader to all.

Over the years, Bill was involved in many different aspects of the horse world and the foundation is open to helping families from any discipline. *The Bill Russell Foundation* is so thankful for all the support from everyone last year. We were so touched, by the out pouring of support from our horse family. There is no greater feeling than giving a helping hand to someone when they need it. We are asking, that if you know a horse family in need, to have them contact us. This year we have been able to help the following from our horse family.

Dr Johnny Pritchard Some-
times we are shown when we are really meant to do something. There is no truer case than when we received news, that one of Bill's best friends had suffered a stroke, Dr Johnny Pritchard. This assured us that we were meant to make the Foundation work. Dr. Pritchard, or as many of you know him, JP, has long been involved in the horse industry. In his early days he was a bronc rider, he shod horses for many years and then attended The University of Auburn, to become a vet. He is a true horse lover and a horseman. He has owned many racehorses, dressage horses, hunters and even mules. Those of you who have had the pleasure of working with him know that he practices medicine because he loves the animals. Promptness may not be his strong suit, but people waited on him knowing they would get the best care. It has been said at Auburn Vet School, to the vet students, "Dr. Pritchard has forgotten more about horses than you will ever know." JP has given more to the horse community than he has ever taken. Being the man he is, when we called him to tell him he would be receiving a check, even though he had just suffered a stroke at the age of 79, and not knowing if he would ever be the same, he cried and said, "I don't know that I deserve this, there is probably someone else who should have it." We know that JP always put the horse first, no matter what the case, many times never receiving payment because the owner couldn't pay.

YOUNG JUMPER CHAMPIONSHIPS 2014

The Young Jumper Championship has been organized to provide an opportunity for tomorrow's Grand Prix horses to compete in meaningful competition against their peers. Offered for five and six year old horses that are recorded with the YJC. Horses that are previously recorded may apply at the show office for YJC recording upon presentation of the horse's Breed Registration papers and payment of the recording fee. Horses are then eligible to enter all YJC events during their five and six year old career. Competing successfully in Qualifying Classes is a prerequisite for competing in the League Finals for the YJC to be held on both the East and West Coasts in late summer.

He is exactly who needed it and he was so very thankful! We are happy to tell you that JP and Spanky are back in the van making their rounds. Dr. Pritchard is retired (as much as his kids can make him be) in Athens, with his children.

Julie Curtin Many of you know of the unfortunate hardship that Julie Curtin suffered, we were happy to be able to help her as she rebuilt many years of hard work.

Big John In the fall of 2014, the horse community lost a treasure, John Miller. He was 66 years old. He worked for many years at LyNard Hills in North Carolina. Big John, as many of you knew him always had a smile for everyone. He could most often be found by the Grand Prix ring, making sure his horses were being "done right". He loved the horses in his care as if they were his own. He put in many a late night after the Grande Prixes, taking care of his horses. Big John and his wife were raising two young Grandchildren in their home. Through the blessing of our donors, The Bill Russell Foundation was glad to be able help John's family during such a trying time. Through her tears, John's wife expressed how very thankful she was and how blessed she felt.

Thank you to all of those who donated last year and and supported the show, allowing us to share our blessings with people in honor of our Father.
