Mission Statement

Our Mission

Bill Russell was a horseman, a husband, a father, a Grandfather, a son, a brother, and a very giving man in life. It is our mission to carry on his giving tradition. Our hopes are to help horseman's families in their time of need, as our family was helped in ours.

About Bill Russell

William Russell Jr. March 5th, 1945– May 4th, 2012

Bill was a High School football hero, with a full scholarship from a Division one college. He decided to join the Air Force and serve his country. After Vietnam, he came home to work in the horse industry, with his wife Mona. Upon his return he serviced as a Huntsman and professional whipper-in, helping to found some very popular hunts, still in operation today. He began privately training and managing shows, such as Ramble Wood and Belle Meade Annual Horse Show. He was the first manager to offer the 3 foot divisions, starting a new revolution of showing.

As a trainer in the 70s, he was one of the top trainers in the Southeast. He had Champions at Washington International Horse Show, multiple winners of the Palm Beach Grande Prixes and Champions of the Country, with horses such as Deck Commander, Southern Brooks, Catch on Fire, Turf Fire, Bargain Hunter, and Signal Point to name a few.

Bill and Mona, raised 4 children, who are all still in the horse industry. During this time he graduated from college on the Dean's list. He held his Race Horse trainer's license and headed up the Georgia Thoroughbred Owner's and Breeder's Association for many years. He helped found the Georgia Tech and Georgia State Equestrian teams and serviced on IHSA committees.

Those who knew him, knew you could call on him at any time and he would figure out a way to help or offer an encouraging word.

As his brother said, "I don't know what it was about him, but when he was standing at the end gate, you felt like you could do anything." He was life's greatest cheerleader to all.

The BRM Foundation is dedicated to the health, welfare and safety of all exhibitors both equine and human. To protect our equine partners, we will be enforcing the following protocols at the BRM Horse Show this summer.

It is advised that all horses stabling on the show grounds arrive between 7:00 a.m. and 6:00 p.m. If it is necessary to arrive at any other time you must check in with the night security officer.

1. A **current (within 12 months) negative Coggins test is required.**
2. A **Health Certificate must be signed by a licensed veterinarian within 30 days of arrival at the BRM Horse Show.**
3. **Vaccination Requirements (per the USEF GR-845 Equine Vaccination Rule [CHAPTER 8F Welfare of the Horse] Rule Changes Effective 12/1/15) At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee**
4. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to BRM Horse Show management and to the Show Veterinarian. It is always better to err on the side of safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.
5. Please take the time to review equine good hygiene practices. Please convey the importance of this to your equine caretakers for their daily routines.

BRM Foundation strives to provide a safe and enjoyable show experience. An important part of that experience is maintaining healthy horses. Please continue to check our web site at BRM Horse Show on Facebook for any additional and possibly mandatory requirements.

Thank You for choosing Bill Russell Memorial Foundation!!!
