### **\$1,500 Pony Hunter Derby**

Debuting in the 2017 competition year, the USHJA Pony Hunter Derby offers Juniors the opportunity to compete ponies in a series modeled after the International and National Hunter Derby programs. Competitors can earn National and Zone Horse of The Year bonus points, as well as year-end series awards. Each USHJA Pony Hunter Derby will feature two rounds—a Classic Hunter style course (first round) and a Handy Hunter course (second round). Fence heights will be adjusted by size (small - 2'3", medium - 2'6", and large 2'9"-3'0"), but the class will not be split by size. Each derby is pinned through 12th place. The class is judged by a minimum of two judges who provide a single score for each round. No high option fences are included in either round, and handiness is taken into account in the base score of the Handy Hunter round. The score from each round will be added together for an overall score. In the event of a tie for first place, riders will participate in a third round to break the tie.

### YOUNG JUMPER CHAMPIONSHIPS 2016

The Young Jumper Championship has been organized to provide an opportunity for tomorrow's Grand Prix horses to compete in meaningful competition against their peers. Offered for five and six year old horses that are recorded with the YJC. Horses that are previously recorded may apply at the show office for YJC recording upon presentation of the horse's Breed Registration papers and payment of the recording fee. Horses are then eligible to enter all YJC events during their five and six year old career. Competing successfully in Qualifying Classes is a prerequisite for competing in the League Finals for the YJC to be held on both the East and West Coasts in late summer.

Please visit the YJC website at : [www.youngjumpers.com](http://www.youngjumpers.com) for complete rules.

## Please Read

Elite Show Jumping is dedicated to the health, welfare and safety of all exhibitors both equine and human. To protect our equine partners, we will be enforcing the following protocols at Elite Show Jumping.

It is advised that all horses stabling on the show grounds arrive between 7:00 a.m. and 6:00 p.m. If it is necessary to arrive at any other time you must check in with the night security officer.

1. A current (within 12 months) negative Coggins test is required.
2. A Health Certificate must be signed by a licensed veterinarian within 30 days of arrival at the Elite Show Jumping.
3. Vaccination Requirements (per the USEF GR-845 Equine Vaccination Rule [CHAPTER 8F Welfare of the Horse] Rule Changes Effective 12/1/15) At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee

4. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to Elite Show Jumping management and to the Show Veterinarian. It is always better to err on the side of safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

5. Please take the time to review equine good hygiene practices. Please convey the importance of this to your equine caretakers for their daily routines.

Elite Show Jumping strives to provide a safe and enjoyable show experience. An important part of that experience is maintaining healthy horses. Please continue to check our web site at [www.eliteshowjumping.com](http://www.eliteshowjumping.com) or on Facebook for any additional and possibly mandatory requirements.

Thank you for choosing Elite Show Jumping!!!
